

## Three Burlington Woods

Burlington, MA 01803

4,000 Square Feet

Burlington is one of the largest, most sought-after office markets in Greater Boston's suburbs, offering urban-level amenities in a suburban setting. In this very competitive market, Griffith Properties hired VantageBuilders as part of a capital campaign to improve Three Burlington Woods, a 150,000-square foot, Class A office building. The firm created an impressive entrance to the building that rivals any other location in the market. The streamlined glass entrance along with significant stone work are reminiscent of buildings in Downtown Boston, while custom-designed wood wall accents remind tenants and visitors that they are in the suburbs. The high-end reception area and seating area impress yet welcome guests. Worktops with chairs are located throughout the lobby, providing casual meeting space for busy tenants.
