

Diplomat Specialty Infusion Group

20 Commerce Way, Woburn, MA
11,000 Square Feet

Vantage Builders completed the renovation of a new location of Diplomat Specialty Infusion Group. The new 11,000-square-foot location includes a cleanroom, offices and a pharmacy. A highlight of the project is the construction of a new, state-of-the-art cleanroom for Diplomat to prepare its products. The 1,000-square-foot cleanroom is USP 797 compliant, a designation from the United States Pharmacopeia governing facilities where compound sterile preparations are prepared, stored, and dispensed. Vantage installed a new 125KW emergency diesel generator for backup to the entire facility.
