

Red Dog Pet Resort & Spa

190 Walnut Street, Saugus MA
15,500 Square Feet

Vantage completed the build-out of the two-story, 15,500-square-foot pet spa. Red Dog provides a range of services to dogs and cats, including daycare, grooming, training, and overnight accommodations. Vantage Builders performed a re-stack of the building, beginning with a complete demolition of the interior. The firm added a second floor, with a new elevator and pit, as well as a staircase. Building systems work was critical to the project. The air at Red Dog is completely replaced every ten minutes via an air circulation system, reducing the chances of bacteria, germs or odors in the resort. Vantage also installed new plumbing, a sump pump, HVAC and a fire alarm system.
